

Diana Ross, Lovely Day

(Bill Withers/Skip Scarborough)

When I wake up in the morning love
And the sun light hurts my eyes

And something without warning love
Bears heavy on my mind.
Then I look at you and the world's alright with me

Just one look at you and I know it's gonna be

[Chorus:]
A lovely day -
Lovely day [8x]
A Lovely day
Lovely day [7x]

When the day that lies ahead of me seems impossible to face
And someone else instead of me always seems to know the way
Then I look at you and the world's alright with me
Just one look at you and I know it's gonna be -

[Chorus]

When the day that lies ahead of me seems impossible to face
And someone else instead of me always seems to know the way
Then I look at you and the world's alright with me
Just one look at you and I know it's gonna be -

[Chorus]
