

# Diana Ross, Promise Me You'll Try

Promise me you'll try  
(p. zizzo)

I know it's on your heart  
That a love like ours  
Shall never fall apart  
You're so afraid of the rain  
So I'll take your hand  
And I'll love you in the best way that I can  
And I only expect the same

Don't promise me forever  
Don't promise me the sun and sky  
Don't pretend to know

You'll never make me cry  
Just hold me now  
And promise me you'll try

Though I'm sure of what I feel  
I never thought a love  
So true felt so unreal  
And I'm a little afraid myself  
If you love me day by day  
With an honest heart and just a little faith  
Baby time will tell the tale

Just hold me now  
And promise me you'll try
