

# Diana Ross, The Best Years Of My Life

Everytime I feel how life goes by  
I recall the scenes that never die  
One fine day  
One fine night  
You loving me  
On and on and on  
We took our love as far as love can go  
You've given me the best years of my life

When I play my memories again  
I feel all the pleasure and the pain  
Love can hurt  
Love can heal  
Oh, how we hurt and healed ourselves again  
We took our souls as far as souls can go  
You've given me the best years of my life  
You've given me the best years of my life

Bring on the storm  
We'll see it through  
We'll take it all  
All life can do  
Right to the end  
We'll say let's begin

You've given me the best years of my life  
I wanna thank you  
I wanna thank you  
You've given me the best years of my life  
I wanna thank you  
For the best years of my life
