

# Diana Ross & The Supremes, Forever Came Today

GETTIN' READY FOR LOVE

Diana Ross

I sit by the telephone waiting for you to call me

And when I'm alone in the night

The blues start to fall on me

Baby I'm waitin' for you

And all that's on my mind is what I'm goin' to do

My friends say I'm crazy

And I'm wastin' my time on you

I'm breakin' the rules and I'm way out of line it's true

Baby one nite with you and they'd be goin' crazy too

I'm gettin' ready for love

Brand new start

Here's my heart

I'm gettin' ready for love

I can feel this time it's real

All I keep thinkin' about is the way that you move me

And I'm thankin' my lucky stars that you do what you do to me

Baby the wonder of you has made the wonderful come true

I'm gettin' ready for love

Brand new start

Here's my heart

I'm gettin' ready for love

I can feel this time it's real

I'm under your spell of that I'm sure

You can tell

Sailin' along on a breeze

Ooh I'm flyin', ooh I'm skyin'
