## Diana Ross & The Supremes, I Hear A Symphon

Don't lose your way With each passing day You've come so far Don't throw it away Live believing Dreams are for weaving Wonders are waiting to start Live your story Faith, hope & amp; glory Hold to the truth in your heart If we hold on together I know our dreams will never die Dreams see us through to forever Where clouds roll by For you and I Souls in the wind Must learn how to bend Seek out a star Hold on to the end Valley, mountain There is a fountain Washes our tears all away Words are swaying Someone is praying Please let us come home to stay If we hold on together I know our dreams will never die Dreams see us through to forever Where clouds roll by For you and I When we are out there in the dark We'll dream about the sun In the dark we'll feel the light Warm our hearts, everyone If we hold on together I know our dreams will never die Dreams see us through to forever As high as souls can fly The clouds roll by For you and I
