Missing You

Diana Ross

(Lionel Richie)

Since you've been away

I've been down and lonely

Since you've been away

I've been thinking of you

Trying to understand

The reason you left me

What were you going through?

I'm missing you

Tell me why the road turns

Ooh ooh

I'm missing you

Tell me why the road turns

As I look around

I see things that remind me

Just to see you smile

Made my heart fill with joy

I'll still recall

All those dreams we shared together

Where did you run to, boy?

I'm missing you

Tell me why the road turns

Ooh ooh

I'm missing you

Tell me why the road turns

Sometimes I've wondered

I didn't understand

Just where you were trying to go

Only you knew the plan

And I tried to be there

But you wouldn't let me in

But now you've gone away boy

I feel so broken hearted

I knew the day we started

That we were meant to be

If only you'd let me!

I've cried so many tears

Gotta face now all my fears

We let time slip away

I need you boy

Here today!

There was so much you gave me

To my heart

To my soul

There was so much of your dreams

That were never told

You had so much hope

For a brighter day

Why were you my flower

Plucked away

I'm missing you

Tell me why the road turns

Ooh ooh

I'm missing you

Tell me why the road turns
