

Diana Ross & The Supremes, Nothing But Heartaches

One Love In My Lifetime

Diana Ross

(T. McFaddin/L. Brown/L. Perry)

Ooh,yeah

From rags to riches, here I stand

Shaped and molded by your loving hand

With faith and trust unshaken

You led me all the way

Through years of joy and tears

I'm standing here to say

You're that one love in my lifetime

And if I search this whole wide world

I know I'll never find a love that's stronger

Than an oak tree

That will be standing in the sun

When my life is done, yeah

A carefree girl

I couldn't see

All the future plans darlin'

You made for me

You placed the whole world

At my feet

And lit a flame of passion

That burns eternally

Love may come

And love may go

But you're the man that made me

And no one else can change me

You're my Adam, and I'm your Eve

And if I live a hundred years

I know there'll only be

One love in my lifetime

Only one love

Burning in this heart of mine

You're the one love

In my lifetime

And if I live a hundred years

I know I'll never find

A love that's stronger

Than an oak tree

That will be standing in the sun

When my life is done

One love in my lifetime

Only one love

Burning in this heart of mine

One love

Burning in this heart of mine

One love
