

Diane Chase, The Ride

The road I left home on, so many have taken
Before me in search of the same dreams I've had
I don't know about them, but my way of thinking
Is if they don't come true, well that won't be so bad
I'll make new ones, and get on that road again
Turn the wheel, and change my direction

[Chorus]

I like flying, driving, and traveling on trains
As long as I'm moving, I love where I am
I'm all right as long as I know deep inside
It's not what I've got at the end of the line
It's the ride

I'm one of those people who might make a million
Or maybe just barely enough to get by
And I could pretend that I'd pass on that money
But you know, and I know that'd just be a lie.
I'll keep dreaming and searching I'm sure of that
Only this time I'll be going one way, first class.

[Chorus]

I like flying, driving, and traveling on trains
As long as I'm moving, I love where I am
I'm all right as long as I know deep inside
It's not what I've got at the end of the line
It's the ride

I know this ride will go up and down
But I'll throw my hands up, one time around

[Chorus]

I like flying, driving, and traveling on trains
As long as I'm moving, I love where I am
I'm all right as long as I know deep inside
It's not what I've got at the end of the line
It's the ride

Ooo yah, It's the ride
