

# Diane Cluck, How Long?

how long  
how long  
how long  
how long  
oh for many promises  
words are getting in the way  
years  
that's it  
i still decide  
i want to carry on  
oh, for now  
all i see  
i walk and carry part of me  
as part of me  
crawls on the side  
i want to carry on  
how long  
how long  
how long  
how long  
how long  
how long  
how long  
how long  
how long  
in a sea now  
how long  
in a sea now  
how long
