

# Diane Cluck, Mystery Over Mind

coming home  
there's a crossbones nailed to your door  
yea yea  
you're the skull  
at home  
on the crossbones over your door  
yea yea  
mystery over mind  
mystery over mind  
mystery over mind  
oh  
oh  
oh  
oh  
mystery over mind  
mystery over mind  
mystery over mind  
oh why would you want to explain  
the way these things you find  
why try to explain  
what is  
mystery over mind  
mystery over mind  
mystery over mind  
mind  
mystery over mind  
mind  
mind  
oh  
there's a crossbones nailed to your door  
yea yea  
when you're the skull  
that hung  
take those crossbones down from your door
