

Dianne Reeves, Besame Mucho

Besame, besame mucho
Como si fuera esta noche
La ultima vez

Besame mucho
Que tengo miedo perderte
Perderte otra vez

Besame, besame mucho
Each time I cling to your kiss
I hear music divine
Besame mucho
Hold me my darling
And say that you'll always be mine

This joy is something new
My arms enfolding you
Never knew this thrill before
Who ever thought I'd be holding you close to me
Whispering it's you I adore

Dearest one
If you should leave me
Each little dream would take wing
And my life would be through

Besame mucho
Love me forever
And make all my dreams come true

This joy is something new
My arms enfolding you
Never knew this thrill before
Who ever thought I'd be holding you close to me
Whispering it's you I adore

Dearest one
If you should leave me
Each little dream would take wing
And my life would be through

Besame mucho
Love me forever
And make all my dreams come true
Love me forever
And make all my dreams come true
