Comes a rain storm put rubbers on your feet Comes a snow storm you can get a little heat Comes love nothing can be done Comes a fire then you know just what to do Blow a tire you can buy another shoe Comes love nothing can be done

Don't try hiding cause there isn't any use You'll start sliding when your heart turns on the juice

Comes a headache you can lose it in a day Comes a toothache see your dentist right away Comes love nothing can be done

Comes a heat wave you can hurry to the shore Comes a summons you can hide behind the door Comes love nothing can be done Comes the measles you can quarantine the room Comes a mouse you can chase him with a broom Comes love nothing can be done

That's all brother if you've ever been in love That's all sister you know what I'm thinking of

Comes a nightmare you can always stay awake Comes depression you might get another break Comes love nothing can be done
