

Dianne Reeves, For All We Know

For all we know
We may never meet again
But before you go
Make this moment sweet again
We won't say "Good night" until the last minute
I'll hold out my hand and my heart will be in it

For all we know
This may only be a dream
We come and we go like the ripples of a stream
So love me tonight
Tomorrow was made for some
Tomorrow may never ever ever ever come for all we know

For all we know
This may only be a dream
We come and we go like the ripples of a stream
So love me tonight
Tomorrow was made for some
Tomorrow may never come for all we know
