

# Dianne Reeves, I Remember Sarah

When I was little girl  
I heard a voice I never heard before  
It was so divine  
It was so fine  
So rich so good so lush  
Oh touch my heart  
Touch my soul  
I wanted to sing  
I wanted to sing  
I wanted to sing  
Wanted to swing everyday  
I remember Sarah  
When she smiled  
Everybody went oh baby  
You sure sound good  
Sing it sing it like it should be sung  
Everyday  
Everyday  
Heart me the divine
