

# Dianne Reeves, Let Me Love You

Let me love you  
Let me say that I do  
If you lend me your ear  
I'll make it clear that I do  
Let me whisper it  
Let me sigh it  
Let me sing it my dear  
Or I will cry it

Let me love you  
Let me show that I do  
Let me do a million impossible things  
So you'll know that I do  
I'll buy you the dawn  
If you'll let me love you today  
And tomorrow I'll send you merrily on your way

Let me love you  
Let me show that I do  
Let me do a million impossible things  
So you'll know that I do  
I'll buy you the dawn  
If you'll let me love you today  
And tomorrow I'll send you merrily on your way  
Ooh tomorrow I'll send you happily on your way
