

Dianne Reeves, Misty

Look at me I'm as helpless as a kitten up a tree
And I feel like I'm clinging to a cloud
I can't understand
I get misty just holding your hand
Walk my way

And a thousand violins begin to play
Or it could be the sound of your hello
That music I hear
I get misty the moment you're near
You can see that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost
That's why I'm following you
On my own

Should I wander through this wonderland alone
Never knowing my right foot from my left
My hat from my glove
I'm too misty and too much in love You can say that you're leading me on
And it's just what I want you I want you I want you to do
Don't you notice don't you notice how hopelessly I'm lost
That's why I'm following you
Oh on my own

Could I wander through this wonderland alone
Never knowing my right foot from my left
My hat from my glove
I'm too misty and too much in love
I'm too misty and too much in love
Look at me
