

# Dianne Reeves, Misty

Look at me I'm as helpless as a kitten up a tree  
And I feel like I'm clinging to a cloud  
I can't understand  
I get misty just holding your hand  
Walk my way

And a thousand violins begin to play  
Or it could be the sound of your hello  
That music I hear  
I get misty the moment you're near  
You can see that you're leading me on  
But it's just what I want you to do  
Don't you notice how hopelessly I'm lost  
That's why I'm following you  
On my own

Should I wander through this wonderland alone  
Never knowing my right foot from my left  
My hat from my glove  
I'm too misty and too much in love You can say that you're leading me on  
And it's just what I want you I want you I want you to do  
Don't you notice don't you notice how hopelessly I'm lost  
That's why I'm following you  
Oh on my own

Could I wander through this wonderland alone  
Never knowing my right foot from my left  
My hat from my glove  
I'm too misty and too much in love  
I'm too misty and too much in love  
Look at me
