

# Dianne Reeves, The Nearness Of You

It's not the pale moon that excites me  
That thrills or delights me, oh no  
It's the nearness of you  
It's not your sweet conversation  
That brings this sensation, oh no  
It's the nearness of you

When you're in my arms and I feel you so close to me  
All of my wildest dreams come true  
I need no soft lights to enchant me  
Baby if you would just grant me the right  
To hold you ever so tight  
And to feel in the night the nearness of you

You can see that you're leading me on  
And it's just what I want you to do  
Don't you notice how hopelessly I'm lost  
That's why I'm following you

I need no soft lights to enchant me  
Baby if you would only grant me the right  
To hold you ever so tight  
And to feel in the night  
I want to feel in the night  
I want to feel in the night baby  
I want to feel you  
I want to kiss you  
Hug you love you  
I want to make you happy  
Whoa I want to feel the nearness of you
