

# Diary Of Dreams, Mask Of Shame

What is left, and what is right  
What is wrong and what alright  
Nimm Abschied mein Kind

This is my shadow, this is my life  
But where is my body?  
How do I survive  
Nimm Abschied mein Kind

Life is of sweetness  
Of unknown compulsion  
Comrade walk with me  
Into decay

Life is of sweetness  
Of unknown compulsion  
Comrade walk with me  
Into decay

Day by day we all move on  
Scared to look back  
Scared to foresee

This is the darkness in our souls  
Life is so sweet but so imperfect  
Bitter to finally understand

Day by day...  
Mask of shame

Life is of sweetness  
Of unknown compulsion  
Comrade walk with me  
Into decay

Life is of sweetness  
Of unknown compulsion  
Comrade walk with me  
Into decay
