## Dick Haymes, Maybe Its Because

That old master painter from the faraway hills painted the violets and the daff-o-dills He put the purple in the twilight haze then did a rainbow for the rainy days Dreamed up the murals on the blue summer skies painted the devil in my darlin's eyes Captured the dreamer with a thousand thrills The old master painter from the faraway hills

Then came his masterpiece and when he was through He smiled down from heaven and he gave me you What a beautiful job on that wonderful day That old master painter from the hills far away

(repeat) Dreamed up etc.
