

Dickey Lee, Dream On

Lay your head down on my shoulder
I won't let the night get colder
I'll protect you, I'll be keeping
Trouble far from where you're sleeping
Until you wake in the morning
You got the world to yourself

Dream on
Dream about the world we're gonna live in, one fine day
Dream on
Spend the night in heaven
I'll be here to light your way
Someday tomorrow will smile
But little girl in the meanwhile
Dream on

Your a princess, chains around you
I'm a hero who just found you
'til a brand new day must wake you
Let imagination take you
Go where the music is playing
I'll be along in a while
