

# Dickey Lee, Dream On

Lay your head down on my shoulder  
I won't let the night get colder  
I'll protect you, I'll be keeping  
Trouble far from where you're sleeping  
Until you wake in the morning  
You got the world to yourself

Dream on  
Dream about the world we're gonna live in, one fine day  
Dream on  
Spend the night in heaven  
I'll be here to light your way  
Someday tomorrow will smile  
But little girl in the meanwhile  
Dream on

Your a princess, chains around you  
I'm a hero who just found you  
'til a brand new day must wake you  
Let imagination take you  
Go where the music is playing  
I'll be along in a while
