Dickey Lee, Everybody's Reaching Out For Some

Everybody's reaching out for someone everybody's knocking at some door And long before I ever found you you're the one that I was reaching for

Just like the trees along the river bend lift up the branches to the sun above We spent our lifetimes reaching for a friend cause everybody reach someone to love And everybody's reaching out...

I wanted you since the day my life began I've heard your footsteps running just beyond my mind Ever since that moment I've been reaching for your hand Hoping you'd be reaching out for mine Everybody's reaching out... Everybody's reaching out...
