

# Dickey Lee, Give Me One Good Reason

Give me one good reason not to go tell me why I shouldn't leave today  
Give me one good reason not to walk away hmm hmm  
I'm only made of flash and blood and I've had about all I can take  
You keep playing with my love as if my heart could never break  
You stayed out late and never call sometimes I wonder if you cared at all  
Give me one good reason not to go tell me why I shouldn't leave today  
Give me one good reason not to walk away and I'll stay and I'll stay  
[ dobro ]  
We used to sing in harmony the sweetest sound I've ever heard  
But now our song is out of key and you forgotten all the words  
You run around fancy free don't you know how bad you've hurtin' me  
So give me one good reason...
