

# Dickey Lee, Way To Go On

It matters not to you babe it matters not to me  
Guess it's time the two of us set each other free  
Don't it make you wonder babe if anything's for sure  
I'd have said the love we have would always endure  
And after all the time I've spent with you it's hard to break the habbit you'd become  
So if I seem to be a little bit confused I'm just looking for a way to go on  
[ steel ]  
I left it up to you babe you left it up to me  
Now there's nothing left to do but set each other free  
And after all the time...  
It matters not to you babe it matters not to me  
Guess it's time the two of us set each other free
