(lee,wilde)

Gimme a bone  
I gotta get away  
You better gimme a bone  
There'e no way I'm gonna feed your face

Aaaoh  
I'm gonna give you a curb job  
Aaaoh  
I'm gonna break your face

Aaaoh  
I'm gonna give you a curb job  
Aaaoh  
I'm gonna break your face

Gimme a bone  
I don't have one today  
Gimme a bone  
There's no way I'm gonna play your game
