

Dickies, Spirit Of '76

tell me how can it be in the land of diet cola
there's a terrible page of history
in the land of the free that's made for me and my sharon
shake your booty's and let your banners fly

76 - it's the spirit of 76
76 - it's the spirit of revolution
76 - it's the spirit of 76 bring it back

dawn's early light it doesn't shine until tomorrow
every value that made this country right

i am what i am what i am
every man jack and boy eats their spinach
ready to fight for the finish
in 76...
