Diddy, Crazy Thang (Interlude)

Stop Just Come on now Just

Sometimes I just Get out ya I just feel so confused No don't do that I just wanna know how you feel Don't do it I love you Do you know what you've done I've always needed you But I really love her You see, love is a crazy thing At first it feels so good [Laughter] And you would think it last forever But then it also hurts so bad You know somethin', I hate ya guts Leave me the freak alone Then what you do Do you give up? Or do you believe? I'll always love you.
