

Didjits, Evel Knievel

Evel Knievel
Comes into my bedroom late at night
Evel Knievel
Jumps all my beds end to end

Ah ha ha ha...

Evel Knievel
Jumps over Caesar's Palace, yeah
Evel Knievel
Breaks all the bones in his body

Ah ha ha ha...

Takes a better woman than you, baby
Huh, to call me a slut!

Evel Knievel
Rides on the road to nirvana
Evel Knievel
Jumps all the skinheads and pushers

Ah ha ha ha...

Takes a better woman than you, baby
Huh, to call me a slut!

Evel Knievel
Won't you tell me how you landed?
