

# Didjits, Killboy Powerhead

He's a pistol-grip shiftin'  
And a lightening rod hammer step  
He always busts his knuckles  
When he's wrenching up his shit

He's a Killboy Powerhead  
Killboy Powerhead  
Killboy Powerhead  
Killboy Powerhead, yeah

You know, I saw his woman  
She was writin' his name in blood  
You know, I saw his woman...  
Hard as a rock!  
She said she was his baby  
She looked just like the Hoover Dam  
You know, I saw his woman...  
Hard as a rock!

He's a Killboy Powerhead  
Killboy Powerhead  
Killboy Powerhead  
Killboy Powerhead, yeah...  
(let's go!)

He's a pistol-grip shiftin'  
And a lightening rod hammer step  
He always busts his knuckles  
When he's wrenching up his shit

He's a Killboy Powerhead  
Killboy Powerhead  
Killboy Powerhead  
Killboy Powerhead, yeah  
He's just a Killboy Powerhead, yeah  
He's just a Killboy Powerhead, yeah
