

Didjits, Little White Trash

Little white trash, she's goin' down
Little white trash, she's goin' down
Little white trash, she's goin' down

She's a big tornado twister
And she's gonna make you pay

He's gonna bring the house down
He's gonna kick the boot
He's gonna treat you like a cheapshit motherfucker
He's gonna dominate you
He's gonna strap your back
He's gonna treat you like a chump change
He's a sin collector, yeah

Little white trash, she's goin' down
Little white trash, she's goin' down
Little white trash, she's goin' down

She's a big horse ridin' whipper

Little white trash, she's goin' down
Little white trash, she's goin' down
Little white trash, she's goin' down

She's a big horse ridin' whipper
And she's ridin' 'cross your brain

He's gonna bring the house down
He's gonna kick the boot
He's gonna treat you like a cheapshit motherfucker
He's gonna dominate you
He's gonna strap your back
He's gonna treat you like a chump change
He's a sin collector, yeah

Little white trash, she's goin' down
Little white trash, she's goin' down
Little white trash, she's goin' down

She's a big tornado twister
She's a big tornado twister
She's Little Mrs. White Trash
And she's gonna make you pay
She'll be ridin' you every day
