

Dido, I'm No Angel

If you gave me just a coin for every time we say goodbye
Well I'd be rich beyond my dreams, I'm sorry for my weary life
I know I'm not perfect but I can smile
and I hope that you see this heart behind my tired eyes
If you tell me that I can't, I will, I will, I'll try all night
and if I say I'm coming home, I'll probably be out all night
I know I can be afraid but I'm alive
and I hope that you can trust this heart behind my tired eyes

I'm no angel, but please don't think that I won't try
I'm no angel, but does that mean that I can't live my life
I'm no angel, but please don't think that I can't cry
I'm no angel, but does that mean that I won't fly

I know I'm not around each night
and I know I always think I'm right
I can believe that you might look around

I'm no angel, but please don't think that I won't try
I'm no angel, but does that mean that I can't live my life
I'm no angel, but please don't think that I can't cry
I'm no angel, but does that mean that I won't fly
