

Dido, See You When You're 40

I've driven round in circles for three hours
It was bound to happen that I'd end up at yours
I temporarily forgot there's better days to come
I thought that I would give it just one more chance
Cos' I want, tonight, what I've been waiting for
But I found, tonight, what I'd been warned about
You think you are complicated,
Deep mystery to all,
Well its taken me a while to see,
Youre not so special.
All energy, no meaning,
With a lot of words,
So paper thin that one real feeling,
Could knock you down.
And I've seen, tonight, what I'd been warned about
I'm gonna leave, tonight, before I change my mind
So see you when youre forty,
Lost and all alone,
Being comforted by strangers,
you'll never need to know,
Not sad because you lost me,
But sad because you thought it was cool,
To be sad.
You think misery will make you stand apart from the crowd.
If you had walked past me today,
I wouldnt have picked you out,
I wouldnt have picked you out,
Wouldnt have picked you out.
Now Ive seen tonight,
How could I waste my time?
And Ill be on my way,
And I wont be back,
Cuz Ive seen tonight,
What Ive been warned about,
Youre just a boy, not a man; and Im not coming back,
And Im not coming back,
What I've been warned about.
