

# Dido, This Land Is Mine

From behind these walls I hear your song  
Oh, sweet words  
The music that you play lights up my world  
The sweetest that I've heard  
Could it be that I've been touched and turned  
Oh Lord, please finally finally things are changing

[Chorus:]

This land is mine but I'll let you rule  
I let you navigate and demand  
Just as long as you know this land is mine  
So find your home and settle in  
Ohhh, I'm ready to let you in  
Just as long as we know this land is mine

After all the battles and the wars  
The scars and loss  
I'm still the queen of my domain  
and feeling stronger now  
The walls are down a little more each day  
Since you came, finally finally things are changing

[Chorus]

Follow the days I've travelled alone  
In this cold and colorless place till now  
It's what I had to pay

[Chorus]

This land is mine and I let you rule  
I let you navigate on demand  
Just as long as you know this land is mine
