

Die Another Day, Kiddie Bands

Do you remember the day
When novelty music arrived
I said shit,shit,shit
I did not like them
Not one bit

Go away
Go away
Come back another day
Okay

Chorus-I hate those kiddie bands
They should be made into cans
Or a vampire should drink it's blood
I hate those boy and girl groups
You just annoy me
You should just drown in a flood

Do you hate the way
When cheesy pop evolved
We said piss off,off,off
You make my sick at you
Wanna cough

Go away
Go away
Come back another day
Okay

Chorus

Go away
Go away
Come back another day
Okay

Chorus twice
