Twee rooi ogies, jus, my mond's so droog

Nogge puff puff, lekker laf lag

Off to the cafe with a rumble in my tum

Got the money for the munchies yum yum yum

Chappies bubblegum, pockets full of fun

Dagga dagga dagga dagga, dum dum dum

Early in the morning, smoke a big fat spliff

Nothing quite like it, like a Spaceman Spiff

First you feel kief, then you get muf

Dagga dagga dagga dagga, sif sif sif

Ag man, los it, bra, take another puff

Jirre, nice laugh, switch your mind off

Ring-a-ring-a-rosie, rappers bop to the beat

Pass to the left skoppe ill free style
