

Die Antwoord, Raging Zef Boner

[Intro: Yolandi/Ninja]

What you gonna do today ninjie huh?
Same thing I do everyday;
Kick some zef raps
Speak to girls
Try to take over the world
Cool!

[VERSE 1: Yolandi/Ninja]

Uh, ay yo what the fucks pumping up in this bitch?
Ninjas back, hold onto your panties
I rap flash so I'm making mad cash
If you don't like it, you can kiss my black ass
Ho-ho-hold up! when I'm on the mic its like 'oh fuck!'
Mad pussy on tap when you blow up
'Whos you're favourite rapper ninja?'
Myself
All the sexy girls that want to kiss me brah
All around the world they say they miss me, aw
Nice to see you again, how you been sweetheart?
'Whatcha gonna do today ninjie huh?'
Whatever I feel like I wanna do, fuck
Cause not doing whatever the fuck you wanna do sucks
Girls wiggling, giggling, telling me I'm the man
But every time I take off my fucking underpants

[Chorus: Ninja]

Some girls start crying, some girlies run away
I'm like huh what the fuck? Man okay
Just relax yourself baby it's gonna be okay
Its not my fault I was born this way
Im an african, come girl you know whats up
This big motherfucking dick is whats up
Brave girls always got a lot of love
For my raging ZEF boner

[VERSE 2: Ninja]
