

Die Apokalyptischen Reiter, Execute

You don't dream to pull the trigger?
To shoot dead the guy, who nerves you!
Execute
Walk discouraged down the streets
If you molest me, your life is gone!
Execute
For what a fuck I fought, for you?
My hate is blind
Execute
It's cold in my life
But I'll never give up!
Execute
Will don't fall into annoyance
My hate is blind!
