

# Die Apokalyptischen Reiter, No Questions

Everything is clear now  
Our aim is fixed in our hearts  
If you know the way  
Nobody is in the mood to stop you

Don't demean yourself  
You've chosen the light  
And not the pain  
So just live and fight

No questions, no fear  
The solution is near  
Much you've got to learn  
And great power you will earn

Delight and fortune  
Easy to get  
For the one, who's finished  
With dependence on fate
