

Die Fuge, Do You See Me Sleep?

Cold water in my face
does not make me awake
the brightest sunlight
does not make me awake
do you hold me in an awake way?

And with who do I go
if nobody is more there?
And where do I go
if no place is for me?
And how do I weep
if I'm empty?

Do you hold my hand?
Do you see my sleep?
Do you hold me in an awake way?
