

# Die Happy, 1.000.000 Times

I.  
the moon is sparkling silver  
so high over him  
the air is standing still  
he will make it, yes he will

B:  
he believes in his body  
in himself  
when he dives

B2:  
his needs  
perfection  
his speed

CH:  
1.000.000 TIMES FORWARD  
1.000.000 TIMES DANGER ON HIS BACK  
1.000.000 TIMES FORWARD  
1.000.000 TIMES INTO THE SKY

II.  
the sun is sparkling gold  
and the secret is still untold he knows  
there's so much more to learn - to fly  
will he ever have the time

B:  
he believes in his body  
in himself  
when he flies

B2:  
his needs  
perfection  
his speed

Zw:  
there's more in my life he says  
there's more on my mind he says  
no limits for me
