

Die Happy, Inside

I take a look into your inside
But your eyes don't let me
I read the signs of you body
But it's cold and calm - nothing

And nothing's right
But something's wrong
I just don't know
Won't you tell me why you're leaving
Before you go

If you wanna go
If you wanna leave
If you are so sure about it
I won't hold you back

I know you didn't promise anything to
me that we could fight for
I know that if you really feel that now
it's time to go

Even if we don't
Stay together
Forever
I love you
But I'll let you
If you want it
If you're sure
Then go
