

# Die Happy, Mannequin

You squeeze the cross  
You brun the source  
You jump so high  
You're dumb  
Yes you are

You're so cheap  
For free  
Your thoughts are clear  
I can read  
I can see  
Your favorite peep show on MTV

Are you shure you ant to start the game?

I don't wanna be your mannequin  
I don't wna be your pretty girl  
So pull th trigger - Baby - if you can  
It won't make you a better man (no no!)

I don't wanna be your mannequin  
I don't wanna be your nasty girl  
So pull the trigger - Baby- If You can  
It won't make you a better man (no no!)

Your heart is dead  
Got brain instead  
It hurts to feel  
No sex appeal

You squeake like a child  
you don't have no style  
You make me ill  
Try to buy me with one dollar bill, no

you think I like you but I don't  
I don't like you
