

Die Kreuzen, Sick People

I'm sick of all these people
They're really full of it
Their troubles never end
And they think they're so cool
They just sit around at home
Act do debone
They say they can't stand it
But they never do anything about it
Do this and do that
And you'll be cool
Don't talk to me that way
I ain't no fool
All those jerks they really crack it
I don't think I can handle it
I hate people just like you
