

# Die Krupps, Doppelganger

we walk together  
one as one  
a new existence  
has begun

and when I stumble  
he steps in  
and fills the gap  
an evil twin

I follow you  
you follow me  
there's no difference to see

you get the blame  
for what I do  
noone believes you

your carelessness  
will set me free  
I will be you  
you will be me

I take your honour  
I take your fame  
all in your name  
all in your name

I kiss your lover  
play the game  
all in your name  
all in your name

a dark companion  
on my track  
a dark companion  
behind my back

and when I turn  
- he disappears  
i'm left alone  
with nagging fears

your carelessness...  
I take your honour...

always on your mind  
always by your side  
always close behind

THE DOPPELGANGER

I follow you...
