Die Krupps, The Dawning Of Doom

Back in black
But no heads are turning
Back in black
Noone came to see
Back in black
Are they still yearning
Back in black
For eternity

Can't escape it Hide away from it There's no light At the end of the night

The dawning of doom It was wrong to assume Won't end the night Ruled by your fright

Silent attack
The shadows are talking
Silent attack
Noone can hear
Silent attack
The shadows are walking
Silent attack
In the night of fear

Can't escape it Hide away from it There's no light At the end of the night

The dawning of doom It was wrong to assume Won't end the night Ruled by your fright
