

# Die Mannequin, Autumn Cannibalist

I dont know what I want  
I dont know where I stand  
between another man  
I know but how bout you  
I dont know what I want  
so baby believe me do you want to go  
no no doll, I know but how bout you  
too bad darling now its done, Im dragging you down  
take it all night baby we tried for so long now its done  
Im dragging you down  
I dont know where I stand now how bout you  
I dont know what I want  
I dont know where I stand between another man  
dont know now how bout you  
I dont know what I want  
so baby believe me do you want to know  
no no doll, I know now how bout you  
(chorus..)I know but how bout you  
when Im lying next to you  
Im fucking dead with you  
I know but how bout you  
too bad darling now its gone  
Im dragging you down  
take it all night baby we tried so hard now its done  
Im dragging you down  
take it home  
good night baby we tried for so long now its gone  
Im dragging you down  
take it all night baby we tried so love now its done  
Im dragging you down  
I dont know where I stand now how bout you  
I know but how bout you
