

# Die Mannequin, Near The End

I only disappoint you  
you only disappoint yrself  
I know I cant control you  
you know I cant control myself  
Im over my head, in and out Im ahead tell me why  
what are you waiting for  
I dont want to know but Im already there, and again  
I dont know myself  
I dont want to know but Im already near the end  
I have a curse because of you  
I have a curse upon myself  
Im going to reach and pull you  
Im going to make you hate yourself  
Im over my head..  
(chorus..) I know I know Im not myself Im not myself Im not myself, I know I cant control you  
but are you .o.k. when Im alright (X2)..  
Im over my head in and out Im ahead  
Im over my head in and out in your head  
Im over my head in and out Im ahead  
Im over your head in and out Im ahead  
I said Im over my head in and out Im a head tell my why  
what are you waiting for I dont  
to want to know but Im already there  
and again I dont know myself  
and I dont want to know, but Im already there  
tell me why what are you waiting for.?.  
I dont want to know but Im already dead. And again, I dont know my self  
I dont want to know but Im already (x2)..  
near the end(X7).
