

# Die Melktert Kommissie, My Engel

Jy stuur vir my mooi boodskappe  
Saam met die wind  
En ek sien jou glimlag daaglik  
In elke verlore straatkind  
En dan pos jy 'n renwolk  
Om saam met my te treur  
In koeverte van verlange  
En sels gedruk in ink van seer

Want jy's my engel  
Kom kuier by my vanaand  
My engel  
Wat tussen 'n duisend liggies baljaar  
Agter branders waar die son min skyn  
En die mense altyd so jaag  
My engel kom raak rustig  
Hier langs my lyf vanaand

Ooh whoo hoo whoo hoo  
Ooh whoo hoo whoo hoo

In jou ou voetspore  
In jou ou land  
Volg ek die kronkelpad  
Van ons vriendskapsjare  
En alles wat jy my geleer het  
Al die woorde wat ons deel  
Moes ek vasklou aan n bondel liefde  
Om die pyn mee weg te streef

Want jy's my engel  
Kom kuier by my vanaand  
My engel  
Wat tussen 'n duisend liggies baljaar  
Agter branders waar die son min skyn  
En die mense altyd so jaag  
My engel kom raak rustig  
Hier langs my lyf vanaand

Oor 'n bottomless koppie koffie  
Moes ek my bottomless liefde  
Aan jou verklaar  
Met die woorde van 'n spyskaart  
Moes ek vir jou vaartwel

Want jy's my engel  
Kom kuier by my vanaand  
My engel  
Wat tussen 'n duisend liggies baljaar  
Agter branders waar die son min skyn  
En die mense altyd so jaag  
My engel kom raak rustig  
Hier langs my lyf vanaand

Ooh whoo hoo whoo hoo  
Ooh whoo hoo whoo hoo  
Ooh whoo hoo whoo hoo (whoo hoo)  
Ooh whoo hoo whoo hoo

Want jy's my engel (engel)  
Whoo hoo whoo hoo  
Whoo hoo whoo hoo  
Whoo hoo (whoo hoo)  
Whoo hoo (hoo whoo hoo)

&lt;/lyrics&gt;

You send me nice messages  
With the wind  
And I see your smile daily  
In every lost homeless child  
And then you post a rainy cloud  
To cry with me  
Envelopes that say you miss me  
And stamps stamped in ink of pain

Because you are my angel  
Come and visit me tonight  
My angel  
Who has fun in-between a thousand little lights  
Behind waves where the sun barely shines  
And the people always make haste  
My angel become calm  
Here next to my body tonight

Ooh whoo hoo whoo hoo  
Ooh whoo hoo whoo hoo

In your footsteps  
In your old land  
I follow the winding road  
Of our years of friendship  
And everything you have taught me  
All the words that we share  
I had to grip onto a bunch of love  
To touch lightly with the fingers to get rid of the pain

Because you are my angel  
Come and visit me tonight  
My angel  
Who has fun in-between a thousand little lights  
Behind waves where the sun barely shines  
And the people always make haste  
My angel come here and become calm  
Here next to my body tonight

Over a bottomless cup of coffee  
I had to (...) my bottomless love  
(declare to you)  
With the words of a menu  
I had to say farewell

Because you are my angel  
Come and visit me tonight  
My angel  
Who has fun in-between a thousand little lights  
Behind waves where the sun barely shines  
And the people always make haste  
My angel come here and become calm  
Here next to my body tonight

Ooh whoo hoo whoo hoo  
Ooh whoo hoo whoo hoo  
Ooh whoo hoo whoo hoo (whoo hoo)  
Ooh whoo hoo whoo hoo

Because you are my angel (angel)  
Whoo hoo whoo hoo

Whoo hoo whoo hoo  
Whoo hoo (whoo hoo)  
Whoo hoo (hoo whoo hoo)
