

Die Radio Die, As Soon As Beauty Dies

Gazing across the room
I'll never forget when I laid my eyes on you
And although I have to admit
I wasn't hoping for this much

My eyes go crazy
Now that I've seen you
Time holds me in, distance the key
And next to you is the only place
That I'm, I'm truly me

I know I don't deserve you
I hope you don't dig that deep
Scratching the surface only creates scars
I hope you don't dig that far

And I don't want, want another girl
Even if I have to wait forever
And please don't forget
Never say never

One life to live
It's to short to waste it
Spent all my time thinking of you
How foolish of me to do

One life to live
It's to short to waste it
Spent all my time thinking of you
How foolish of me
